

Dansville Community Center
43 West Ave
Dansville, NY 14437

Greetings:

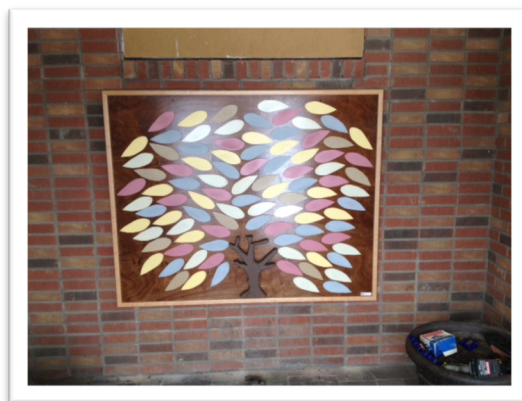

The Dansville Community Center is undergoing our annual “KEEP THE LIGHTS ON” fundraiser to help us cover the cost of utilities to operate the center for an entire year. We are asking business and individuals to sponsor either \$500 or \$250. Our average utility bill is \$500 per month. Our goal is to have enough sponsors to cover all twelve months for the 2018-operating year.

You can help us by providing much needed sponsorship funds. Make checks payable to Dansville Community Center, you can also pay via PayPal (visa/MC) on our secure website. Dansvillecommunitycenter.org (look for the support us tab). All donations are tax deductible; a copy of our donation receipt is attached for your use, simply fill in the amount you donate. All of our 2018 sponsors will have their business or name listed on our website, Facebook, and Twitter throughout the year. Your name will also be placed on our “Friends of the Community Center Tree” prominently displayed at the Community Center.

Attached you will find a receipt, and a brief description of the programs available. Thank you in advance for your support.

Cheers,

Executive Director -Dansville Community Center
