

My name is Selena Linsner. I am very happy to Announce that I am working with your children at Dansville Community Center in the Five Little Monkey's daycare as the new lead preschool teacher!

About Me:

I grew up in the Catskill Mountain area. I graduated high school in Margaretville New York in 2001. I knew that I wanted to be a teacher because I loved working with children. I started my teaching career by attending SUNY Geneseo as an undergraduate and received my Bachelor's degree in Early Childhood in December of 2006. After completing my bachelors, I then went into teaching at KidStart in Geneseo/Mt. Morris. I taught as the lead daycare teacher in the four-year old room for three years. After that I went and worked in the Head Start with three and four-year old children in a multi-age classroom. It was during this time I went back to college for my Masters in Literacy B-6 which I completed in 2011. I have since been working in Mt. Morris and Geneseo school districts substitute teaching. My family includes my husband Robert, son Teddy (12), and daughter Kaylee (8). We have a lot of pets including a dog (Peggy) and four cats (Rita, Frisky, Pounce, and Bobbie) as well as 20 chickens. Our family likes to go camping and fishing. Some of my hobbies include crocheting, sewing, and making preschool materials. I also love children's books. I can't wait to get to know you all and look forward to teaching your children!
