

Hello & Happy Fall!

My name is Kailey Boor and I am the newest afternoon lead teacher in the Daycare of the Dansville Community Center!

Get to know me: I was born and raised in Dansville and still reside here with my [now] fiance, Dalton (pictured above). I graduated from DHS in 2011. From there, I went on to Genesee Community College to obtain my Associates in Applied Sciences (majoring in Early Childhood Education). I then went on to SUNY Geneseo for my teaching degree with a dual-certification in Special Education. In the following months, I decided to change my major to Social Work. I attended Keuka College and graduated with my Bachelor of Social Work in 2017. Currently, I am attending Nazareth College of Rochester as a graduate student working towards my Master of Social Work. In my time at Nazareth, I have also obtained a Specialization in Autism through their I-SPAN program.

I have many years of experience working with children as this has always been a passion of mine. I've worked and volunteered in the school setting and am currently completing an Internship at Wayland-Cohocton Central School! I have also worked with the Arc of Livingston-Wyoming and Person Centered Services as a Care Coordinator for individuals with Intellectual and Developmental Disabilities. I am excited to now be a member of this team and to have the opportunity to work with your kiddos!

Fun Fact: I have two dogs (Cooper & Jax) and also rescue kittens!
